# President's Desk

*Hello Boyz and Girlz,*

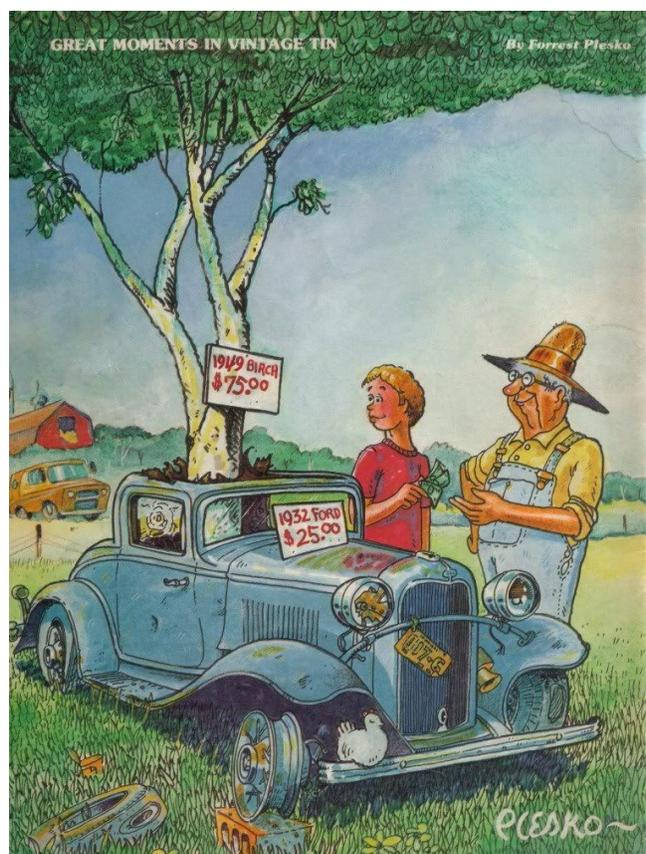

*The New Year is in full swing, and our first car show of the year is coming up. The Esparto car show is in February, and Ron Scrivner will be the cruise master. Let Ron know if you will be attending.*

*I don't know about you, but I am ready for some warmer weather. It's hard to work on the cars when it's this cold. It's still winter, and plenty of time to get your car(s) ready for the car show season. If you don't want to do the car shows, then plan some day, weekend, or week getaways! Those are always fun! Maybe getting out of the house for a few days will lower our PG&E bill. Our's was crazy high for the last two months!*

*I hope to see all of you at the next meeting. Don't forget to bring canned food. It's not just during the holidays that people are hungry; it's year-round.*

*Don't forget to wear your favorite sports team jersey/shirt/or hat. See you on February 10, 2026.*

*Laura J. Miller  
Madame President  
Boyz Under the Hood  
707-853-3367*

## Ralph and Myrna Finley's 1956 Corvette!!

*This Barn find is a 1956 Corvette that took one year to remove. Now it's at the shop underway on the clean-up and repaint.*

*My wife always wanted a Vette, and she likes older cars. we have seen some she liked but never found one we could afford. Some to hoped up or customized. So, when we found this one the price was good and we knew it was the car for us. Now that we are having it redone, the project is a lot of fun and a lesson in early sports car history.*
