

BOYZ UNDER THE HOOD

17th Annual Father's Day Car Cruise & Delta Tour

June 20th, 2026

Gas up your classic Boyz and Girlz and join me for the 17th annual Father's Day Car Cruise and Delta tour taking place on June 20th, 2026. This year we will be heading on a pleasant drive along the Delta. There will be a stop in the morning in Rio Vista, then a short drive for brunch. I hope to see many more of you this year, so let's get ready to cruise.

We will meet at the Starbucks across from the Target store on Admiral Callaghan Lane at 7:30 am. Included in your Goody Bag are (2) tickets good for raffle prizes which I will give out after brunch. (I am looking for donations for the raffle. If you have something that you would like to contribute, it would be greatly appreciated). A poker walk/run will be offered for \$5.00/hand. The cards used during the poker walk/run will have trivia questions on them. If you pull a Jack, Queen, King, or Ace, and answer the trivia question that will pertain to people, places, or events from 1965, you will win a token from the "pull a prize" bag. To save time, multiple card pulls will be done along the way. We will leave Starbucks after the 1st and 2nd poker cards are pulled.

Our first stop will be in Rio Vista at Foster's Big Horn Restaurant. There is not a designated parking area, so please park where available. We will pull the 3rd and 4th poker cards next to the restaurant after we have all gotten situated. We have the restaurant's bar to ourselves for refreshments till 11. There is coffee and pastries available across the street from Foster's. There is a map in the Goody Bag indicating the shops around the area, as well as a museum a short walk away. We will be there for about 2 hours.

We will then take a nice drive along the delta to our brunch stop at the Ryde Hotel. We have some dedicated parking in front of the restaurant that some of us can park, with additional parking down to the left. I have reserved the main section of the restaurant for brunch at 1 pm. The menu listed below is an all you can eat buffet. I have invited my very talented musical guest Ke' Le Marie to join us again this. She has a wide variety of songs that she can sing, and yes she takes requests. She can also accommodate those who would like to showcase their Karaoke talent as well.

A tour will be provided for those that wish to learn the storied history of the Ryde Hotel. For those that wish to stay in one of the rooms overnight, I can give you information on that, and pricing to reserve a room. We will pull the final poker hand cards after brunch, with raffle prizes and winners of the poker run/walk announced as well.
